1. The points in the following legend refer to locations in the City of Brno shown on the attached overlays. A number of these locations appear on more than one of the overlays, but the point number is always the same for each location. [] this list includes about 80% of the factories for machinery products and about 50% of all industrial installations in Brno.

- Point # 1 MEZ (Moravian Electrotechnical Plants) Zidenice.
- # 2 Klement Gottwald First Brno Machinery Plant: produced water turbines, boilers of large sizes, and equipment for sugar factories and distilleries.
- # 3 Brno Power Distribution Works (Rozvodne brnenske zavody) (including warehouses) and Electrical Assembly Works Brno (Elektromontazni zavody Brno).
- # 4 Bohumil Smeral Machinery and Smelting Works: formerly Storek Smelting Works.
- # 5 Lisen Precision Tools Works (ZPS Lisen - Zavody presneho strojirenstvi).
- # 6 Brno Main Railroad Station.
- # 7 Brno Bus Station.
- # 8 Freight Railroad Station.
- # 9 Yellow Hill (Zlutý kopeček).
- # 10 Skoda Works (Skladistní Street).
- # 11 Military Depot.

- Point #12. Military Barracks: barracks of the pre-World War II 6th Regt.
- #13. Brno Armament Works (Zbrojovka Brno).
- #14. Gas Works and Heating Works.
- #15. Klement Gottwald Kralovo Pole Machinery Plant.
- #16. Military Barracks: barracks of the pre-World War II 43rd Regt.
- #17. Cement Works.
- #18. MEZ Research and Development Plant.
- #19. Air Force Barracks.
- #20. Civilian and Military Airfield.
- #21. TOS (Tovarny obrabecich stroju - Factories for Tool Machinery Production); Slatina National Enterprise, machinery plant.
- #22. Klement Gottwald Vitkovice Iron Works, Brno Plant
- #23. Juran Works (Juranovy zavody): this plant was built sometime in the past few years. It was probably a machinery plant.
- #24. STS (Statni traktorova stanice - State Tractor Station) Herspice.
- #25. Julius Fucik Electrotechnical Works: formerly Skoda Works.
- #26. Julius Fucik Electrotechnical Works: Smelting Works.
- #27. Military Technical Institute (Vojenske technicke uciliste). There were a number of wooden barracks between this Military Institute and Cow Hill. [Point #31]
- #28. Garrison Headquarters.
- #29. Newly Constructed Building: allegedly to be used as a court building.
- #30. SNB and StB Headquarters.
- #31. Cow Hill (Kravi kopec): with water reservoir and rumored radio jamming station.

2. [] the radio jamming station set up during the German occupation somewhere on Yellow Hill [Point #9] was again in operation. It was rumored in 1949 that a broadcasting station was also to be set up on Yellow Hill. In February 1953 [] Cow Hill [Point #31] from the southwest. [] a small building protruding at the top of the hill. There was barbed wire in front of the building, and a few soldiers were on guard inside the fence. It was rumored that this building contained a jamming station [] [] It is very probable that this building, whatever its uses, formed one area with the Military Technical Institute and barracks [Point #27].
